

Notice to Customers:

To all customers of Community Natural Gas Co., Inc.: Please be advised that the company has filed with the Indiana Utility Regulatory Commission a Petition under Cause No. 46209 for a change in its rates, charges, tariffs, rules, and regulations. This change could increase bills by about 14.8%. Current base rates have been in effect since October 2022. An Order from the Indiana Utility Regulatory Commission would be expected toward the end of 2025. Specific information about this filing may be obtained from the Indiana Utility Regulatory Commission or directly from Community Natural Gas Co., Inc., at the address and telephone number located below.
